

Respected HR Manager,

I hope you're doing well. I am interested in the position at Security Analyst. As a Bachelor of Science (Hons) in Computing student at Informatics College Pokhara, I am eager to apply my skills in programming, database management, web development, and cybersecurity. I am available to start from 2025/04/08 and open to both full-time and part-time roles.

I have experience working on projects like developing a personal portfolio website and designing a network topology, along with participating in hackathons, coding competitions, and IT club activities. I have also earned certifications in AWS, Full Stack Development, and Ethical Hacking.

I would love the opportunity to discuss how my skills align with your team. My CV is attached for your review. Please let me know a convenient time to connect.

Looking forward to your response.

Best regards,
Sadikshya Budhathoki
