PROJECTS

Luxury Car Website:

- Designed and developed a stylish and responsive website featuring top car brands.
- Used HTML, CSS, and JavaScript to build the front-end interface.

JavaScript Mini Projects:

- Created multiple interactive mini projects such as a quiz app, calculator, and to-do list.
- Focused on DOM manipulation and clean code practices.

Web Page Designs:

- Built a variety of static web pages to improve layout and styling skills.
- Applied modern CSS techniques like Flexbox and Grid.
