EDUCATION

Informatics College Pokhara

Bachelors in Information
Technology

SUMMARY

I am a second-year Bachelor's student actively learning new skills and gaining hands-on experience. I have previously worked as a shopkeeper in my mother's store, where I developed strong communication skills and learned about customer service and basic marketing.

SKILLS

- Familiar with digital tools like Canva, Google Workspace etc.
- Familiar with social media handling like Instagram and Facebook
- Beginner communication skills
- Problem-solving mind
- Fluent in Nepali, English and Hindi
